### **Forward-Looking Statements**

This press release includes certain statements that are not historical facts but are forward-looking statements for purposes of the safe harbor provisions under the United States Private Securities Litigation Reform Act of 1995. Forward-looking statements generally are accompanied by words such as “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect,” “should,” “would,” “plan,” “predict,” “potential,” “seem,” “seek,” “future,” “outlook,” and similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements include, but are not limited to, statements regarding estimates and forecasts of revenue and other financial and performance metrics and projections of market opportunity and expectations. These statements are based on various assumptions and on the current expectations of CTAC or KORE's management. These forward-looking statements are provided for illustrative purposes only and are not intended to serve as and must not be relied on by any investor or other person as, a guarantee, an assurance, a prediction or a definitive statement of fact or probability. Actual events and circumstances are difficult or impossible to predict and will differ from assumptions. Many actual events and circumstances are beyond the control of CTAC and/or KORE. These forward-looking statements are subject to a number of risks and uncertainties, including general economic, financial, legal, political and business conditions and changes in domestic and foreign markets; the potential effects of COVID-19; risks related to the rollout of KORE's business and the timing of expected business milestones; changes in the assumptions underlying KORE's expectations regarding its future business; the effects of competition on KORE's future business; and the outcome of judicial proceedings to which KORE is, or may become a party. If the risks materialize or assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. There may be additional risks that KORE presently does not know or that KORE currently believes are immaterial that could also cause actual results to differ materially from those contained in the forward-looking statements. In addition, forward-looking statements reflect KORE's expectations, plans or forecasts of future events and views as of the date of this press release. KORE and CTAC anticipate that subsequent events and developments will cause these assessments to change. However, while KORE and/or CTAC may elect to update these forward-looking statements at some point in the future, each of KORE and CTAC specifically disclaims any obligation to do so. These forward-looking statements should not be relied upon as representing KORE's assessments as of any date subsequent to the date of this press release. Accordingly, undue reliance should not be placed upon the forward-looking statements.
